MURTHAL, SONIPAT

# DCRUST MURTHAL

Deenbandhu Chhotu Ram University of Science & Technology, Murthal came into being on 6th november 2006 by upgrading erstwhile Chhotu ram state college of engineering, Murthal through an act 29 of 2006 of the legislature of the state of Haryana with the vision to facilitate and promote studies and research in emerging areas of higher education with focus on new frontiers of science, engineering, technology, architecture and management studies, humanities, and also to achieve excellence in these and connected fields. the university has been considered eligible for grants under section 12(b) of ugc act, 1956 in march, 2009. the university has got affiliating status and the technical and professional college/institutes located in the district sonapat have been affiliated to the university. six b.tech programmes of the university have also been accredited by national board of accreditation (nba). university has a central instrumentation laboratory which is available to scholars belong to different depts or outside institute as central research facility.

# VISION

---

**E-Summit DCRUST<sup>TM</sup>** is a premier event designed to ignite the entrepreneurial mindset in students, professionals, and startups from across the country. Our mission is to provide comprehensive exposure to the world of entrepreneurship, offering a platform to explore and seize opportunities in the startup ecosystem.

Through exciting competitions, thought-provoking panel discussions, knowledge-packed sessions, and powerful networking opportunities, we aim to foster innovation and inspire the next generation of entrepreneurs. E-Summit strives to create a thriving startup hub in North India, paving the way for future unicorns and groundbreaking ventures. Join us to experience the pulse of entrepreneurship and take the first step toward transforming ideas into impactful ventures.

# ABOUT US

The **Entrepreneurship cell (E-cell)** of dcrust is a student-driven platform dedicated to fostering entrepreneurship, innovation, and creative thinking among students. It provides an ecosystem where aspiring entrepreneurs can transform their ideas into meaningful ventures through guidance, collaboration, and practical exposure. e-cell aims to bridge the gap between academic learning and the real-world startup ecosystem by organizing entrepreneurship workshops, startup talks, competitions, networking sessions, ideathons, and other engaging events. It brings together students, entrepreneurs, industry professionals, mentors, and innovators to encourage the exchange of ideas and experiences.

# EVENTS AT A GLANCE

## (DAY-1)

### ADVERTISING COMPETITION

UNDERSTAND → CREATE → ADVERTISE → SELL

Turn an assigned concept into a compelling campaign and convince the judges to buy it.  
Team of 1-4 • Offline
